

## SENIOR FOOTBALL PLAYERS GRADUATING IN 2019

Each year the Armstrong Touchdown Club under the leadership of John and Mary Boeder, will select an Armstrong Senior to receive the annual Brian Boeder Memorial Football Scholarship. Brian was an excellent running back. He played football for the sheer love of the game. He was committed to football during the off-season, competed in three sports and conditioned during the summer. During his junior year he incurred a severe knee injury. His dedication and desire drove him to rehabilitate his knee and regain a starting position. He came back his senior year to play in every game.

He was an excellent student and a leader in the school community. Brian was tragically killed his freshman year in college. Through the efforts of his parents and the Touchdown Club, there is a \$1,000 scholarship awarded to a senior football player who:

- Is an Armstrong Football Player with the commitment and dedication to the sport because he “loves” the game.
- Has also played with such “Gusto” he was an inspiration to his teammates.
- Has at least a “C” average and is passing all his classes.
- Has “given back” to Armstrong by leadership, and /or volunteers in some capacity.
- Has to be attending college, but does not have to play football there. (the money is sent directly to the college: the winner of the scholarship will need to inform Armstrong’s bookkeeper with the school to be attended, social security number, and student number if available)

If you would like to be considered for this prestigious award, complete this sheet and return it to Activities Director Patti Weldon, by March 15, 2019. She will forward all applicants to the Boeder family. They will send you any additional information to help them make the selection and contact each of you.
